Dear Parent,

### NSPCC Anti-bullying Week

This week, all children watched and listened carefully to online NSPCC assembly videos and afterwards class discussions took place on this important topic. On Tuesday next, year 5 and 6 students will take part in a one-hour classroom based 'Speak out. Stay safe' workshop. Representatives of the NSPCC will lead the session.

### Residential Trip

We are pleased to announce there has been sufficient interest in the proposed visit to Bryntysilio, for it to go ahead. Those who vested initial interest will receive letters next week, detailing staged payment plans and much more! The return date for reply slips has been extended until Tuesday, 22<sup>nd</sup> November, should you wish your child to take part.

### Star of the week

This week, in Celebration Assembly, our Stars of the Week were Class 1 – Edith, Class 2 – Sybil, Class 3 – Julia and Class 4 – Lia.

### Water bottles

School firmly believes hydration plays a leading role in energy levels, physical endurance and body temperature, as well as concentration and focus. For this reason, we would remind all parents that water bottles should be in school at all times. These need taking home each evening, washing and replenishing. Thank you!

### Local Curriculum

The final session is to take place on Wednesday morning. All students to come to school dressed in old, warm outdoor clothing and to ensure PE kits are in school. Lessons as usual Wednesday afternoon!
