19th May 2022

Dear Parent,

Over the past weeks we have been stepping down some of our more stringent COVID-19 measures, as directed, as school returns to relative normal.

In light of this, the arrangements for the start of school will now revert back to our 'before COVID' organisation.

From Monday 23rd May 2022 the morning entry will be as follows:

School side green will open at 08:30 until 08:50 as usual. Parents of pupils in Classes 1W, 2B and 3PH should please accompany their children up on to the yard. There will then be a choice.

To assist those parents who need to get on their way swiftly, children may go into the hall where there will be a member of staff to supervise.

Alternatively, parents may wish to remain on the yard with their children until the school bell rings at 08:50. If remaining on the yard, children must be accompanied by their parent/carer and remain with them quietly until the bell rings for them to line up in their class spaces. Class staff will come out on to the yard to lead their classes in at 08:50. Children who have been in the hall will lead out and join their class lines when the bell is rung.

To help alleviate congestion on the school steps and in the hall, pupils in Class 4M will go straight into their classroom through the conservatory, any time from 08:30 until 08:50 as usual. They do not need to be accompanied by a parent/carer but may walk in on their own from the main gates. They will continue their routine of getting ready for the day and doing an early task with class staff already in the room.

Hopefully, this system will help alleviate the congestion that has been happening on the pavement outside school and in the area of the main front gates before 08:30. I would ask please if possible, that parents and children do not arrive at school before 08:30, and that everyone waits safely behind the side green gate until it is opened.

May I thank you for your continued support and understanding in this matter.

Yours Sincerely,
