Dear Parent,

As some of you may have noticed, school (and the village) were without mains electricity supply on Wednesday. As promised, our supplier installed a generator in order that school could remain open. Whilst there were a few problems, including the generator failing when lunches were about to be served, the day went without a hitch! Thank-you for working with us at the beginning and end of the day.

### Class 2B News

This week, Class 2B have been studying the artist Jackson Pollock. As well as finding out about his life and his works of art, children collaborated to produce pieces of work to portray their moods and feelings using his 'drip painting' technique. Great fun was had as paint was dripped, poured and splattered onto canvases!
