2<sup>nd</sup> November 2022

Dear Parents,

We will be starting the first of our Local Curriculum sessions next week. These sessions are invaluable in helping children to develop skills for life, including independent learning opportunities, social skills, problem solving skills, personal awareness and the environment.

The activities that we have chosen to deliver these strands are:

- *Forest School* – Mrs Betts. All the fun and independent learning within our Forest School environment, challenging activities, team work, innovative and creative.
- *Mindfulness* – Mr Patch. A classroom based look at strategies to discover calmness and resilience.
- *Orienteering* – Miss Ward. Map reading, physical exercise, fun and teamwork all outside in our wonderful environment whilst learning to be supportive, directive, questioning and decisive.
- *Gardening* – Mr Shepherd/Mr Smaje. Planting, growing, tending, harvesting, sharing; doing, watching and waiting in the community of a collective group.
- *Healthy Challenge* – Active Sports. Physical, personal challenge and exercise.

Please read the rota to show which each family will be doing. You will need to keep this rota until the last session so that your child has the appropriate clothing each week.
