Dear Parent,

Local Curriculum Days

We are excited to advise Local Curriculum Days will take place all day on Wednesday and Friday afternoon next week. There will be another full day on Wednesday, 6th April. Pupils will work in school families on one activity in the morning and another activity in the afternoon. When we first started these activities, a great amount of thought was given to the approach to teaching and learning that maximises each pupil's potential in an environment that is safe, challenging, Christian, supportive and fun. The sessions encourage students to develop independent learning and social skills, problem solving, Healthy choices and to be aware of our local and global environment. All students will need PE kits and to come dressed in old play clothes. Wellington boots will also be required.

Healthy Eating

Wendy and our school Librarians have organised a Healthy Eating Competition. All children in Classes 1W, 2B and 3PH have drawn on a paper plate food they think constitutes a healthy meal. Class 4M students, drew foods they felt made a healthy lunch box. Discussions around the importance of a healthy balanced diet, have taken place in each class. Going forward, students will be looking at the importance of brushing teeth and taking part in regular exercise.

Forest School – 2B

No Forest School for the rest of term, as Local Curriculum takes its place!

Book amnesty

Please could all families check for reading and textbooks belonging to school? A number handed out during remote learning periods were not returned. No questions will be asked; they can simply be returned in book bags or placed in a box in the school foyer.

School lunch money

We would remind all parents of pupils in Classes 3 and 4, that school lunches taken up to and including 31st March, need to be paid for by that date. If not, school has to meet the cost from school budget and seek reimbursement from individuals. Your co-operation in this matter would be greatly appreciated.
