Dear Parent,

Class 1 parents Phonics meeting

Miss Ward met with Reception pupil parents this week to explain the principles of phonics. They learned how children are taught to read and write by hearing and identifying different sounds. When they know the sounds of individual letters and how those letters sound when they are 'blended' or combined together, this helps children 'decode' or understand how words sound as they read.

Flu vaccine

Consents need to be returned to school by no later than Tuesday, 18th October.

Star of the week

This week, in Celebration Assembly, our Stars of the Week were Class 1 – Delilah, Class 2 – Rowan, Class 3 – Ella and Class 4 – Martha. Well done everyone!

Farewell!

Mrs Lloyd is to leave her posts at Selattyn next Thursday! She has been a hardworking, respected member of staff and we will miss her.

School Rules

Studs are the only style of earrings to be worn. During P.E., they need to be covered by a plaster. No nail varnish at any time!

Individual pupil photos

Tempest Photography will take these, during school time, on the morning of Monday, 7th November. Those wishing to have sibling photos taken together, i.e. brothers and sisters of school age, should put their request into school via letter or email. Children will be photographed individually unless school is advised otherwise by no later than Tuesday, 2nd November.

Messages

The school email service is not manned on a Wednesday. All communication via letter or telephone on that day please.

Year 6 secondary school transfers

On-line applications need to be completed and submitted by no later than midnight on 31st October 2022. Applications received after that date will be deemed late and considered after all the on-time applications have been allocated their school places.
