

22nd January 2021

Hello Class 2,

I hope you are all still safe and well. It has been lovely to speak to some of you this week, and if I haven't spoken to you personally, I have enjoyed the conversations that I have had with your parents or grandparents. I am so proud of you all. I have been hearing about all the effort you have been making and the hard work that you have done. Well done if you have learned to do something new this week and thank you to those children who have replied to the pupils who sent you a card last week. You have made your friends in school very happy. A special pat on the back for the young man who has been counting and practising writing numbers every day.

I think your parents and grandparents also need a very special mention. It sounds as if they are doing extremely well teaching you at home and I think some of your mums and dads are beginning to have a very good understanding of what you are like in school, (the good points and the not so good points!) Thank you to all the adults who are involved in remote learning. I have found your enthusiasm for teaching your children really inspiring and it makes me appreciate just how special our school community is.

I hope you have all found Ms Morgan's videos on the Selattyn website. We like these in school as they are something to connect us all together again. We watch them on Monday, Wednesday and Friday mornings in our own classrooms and wonder if you are watching them at home at the same time.

You may have heard that we are doing Forest School sessions again in school. It is so good for everyone's health and wellbeing, especially when a lot of our learning at the moment involves screen time. Well done to the young ladies who have been walking miles and who have been finding out about the local area. I am also impressed that we have lots of families who love taking the dog for a walk. Please make the most of any good weather and try to spend some time outside each day - just as you would in school.

Please continue to work hard each day and try to do your very best for your mums, dads and grandparents.

Be good, and I will be in touch again soon.

Love from

Mrs Betts
