

Dear Class 1W

I hope you are all keeping well and being helpful around the house for your mums and dads. We all miss you very much in class, and I love to hear how you're getting on, when I make my weekly 'Catch-up calls'. I've also been very impressed by how creative and active you have been, from baking bread and biscuits, to horse riding, painting and using a sewing machine!

I'm very pleased and proud of the way you have been learning online too, and I'm glad to hear that some of you have been really enjoying the Oak Academy units. For the next two weeks in literacy, the text is 'The Three Little Pigs', so that should be fun. I have put some activities linked with this unit on the website for you.

Your mums and dads have told me that you have enjoyed doing your packs, which is great to hear. You could use your whiteboards when you watch the 'Letter and Sounds' videos, and practice as you go along, just like in school.

Next week, I will be emailing your parents with information on how to access some reading books online, for you to practice and enjoy.

Lastly, I want to thank you and your parents for all the hard work and fantastic effort you're making during these strange times.

So, keep up the good work, look after one another and we'll see you soon.

Love and Best Wishes

Miss Ward
