Dear Families and members of the local community,

We are writing to share some important information with you.

The Marches School is proposing to open a Resourced Provision (RP) from September 2026 to support up to 15 pupils in Years 7–11 with Social, Emotional and Mental Health (SEMH) needs and/or Communication and Interaction needs.

This provision would be part of the mainstream school and provide additional specialist support for pupils with Special Educational Needs (SEN) placed within the Resourced Provision through their Education, Health, Care Plan (EHCP) while remaining fully included in school life wherever possible.

Before any final decision is made, we are required to consult with staff, families, schools and local residents. We would really value your views.

How to share your thoughts
