Dear Parents and Carers,

ParentPay Setup

From today we are starting to use ParentPay to enable parents to make electronic payments to school for trips and activities. We will also be moving towards using ParentPay to pay for school lunches, but this will not be available until later this term.

As part of the functionality of ParentPay, parents are also able to complete any required consent forms, contact details and medical information required for trips and activities in one easy to access location.

Please see this video from parent pay for further information: <https://vimeo.com/336556633>

All pupils have been sent home a letter today with details on how to connect your child to ParentPay. Please check your child's book bag and follow the steps on the letter.

It is important that all families sign up to ParentPay to help streamline processes and payments in the future.

If you have any questions, please contact the office on 01691659744 or admin@selattyn.shropshire.sch.uk

Kind regards

R. E. Shepherd
