Small School, Big Heart

Pyjama World Book Day – Next Thursday

We had a fantastic World Book Day on Thursday where children came in to school in their Pyjamas with their favourite book and a cuddly toy. We celebrated a love of reading, with chances to read to themselves and also, listen to a story being read to them. Please see Dojo for photos of the children.

Usborne Book Fair

Thank you to Louise Hunt for running the book fair this week. By purchasing books it raises funds towards books for the school library.

Lunch Orders

To help with running of the school day, please remember to book your child's meals in advance through ParentPay. You can do this up to 4 weeks in advance.

British Science Week

Next week we are celebrating British Science Week. On Wednesday all children will be taking part in science workshops from Xplore that links to their Science units of work.

Bryntysilio Residential

Our residential visit for children in years 4, 5 & 6 26th – 28th March. Payment for the visit must be paid in full by 21st March. Please ensure you have completed the online consent form by 14th March:

<https://forms.office.com/e/2jCemHrRMC>

Parents Evening

Parents evening will be on 7th and 8th April. Details on how to book your child's appointment will be sent out closer to the date.

SENCO

A reminder that Mr Smaje is available to discuss IEP's or anything linked to SEN. Please ask at the office to book and appointment.

Forest School for Class 2

Class 3 have now completed their forest school sessions for this term. Sessions for Class 2 will start next Wednesday. [Please see letter for full details](#) and ensure you have completed your consent through ParentPay by end of Tuesday.

Easter Holiday Club

4 All Foundation are running a free FREE Easter holiday club based at Aico in Oswestry. The 4 All Foundation are the charity arm of The Marches Academy Trust and will be running the programme. See details at end of newsletter. Spaces are limited! please email info@4all.foundation to book. We will also hope to hold a Free holiday club at Selattyn School, which will be on different dates. Details will be sent out later.

Diary Dates

Next week

Mon	PE – Class 3 & 4 3:30 – 4:30 After-school clubs

CLASS NEWS

Class 1

We have had a very busy week in Class 1! We began by learning all about Shrove Tuesday and Lent. Then, the children read, wrote and followed instructions how to make pancakes. Reception children weighed out and made the pancakes, choosing their topping, and cutting them into halves. Year 1 children chose a topping, then cut their pancake into quarters. We then used this information to make a graph of the most popular topping... Chocolate sauce won! In Science, we learned all about the senses, and which part of the body is used for each sense. On Wednesday afternoon, we had a field trip around the village. The children took photos of both 'Physical' and 'Human' features, using a cuddly toy for scale. They were all able to distinguish between the two, and as usual, behaved wonderfully. It was lovely to see all the children dressed up in their pyjamas for World Book Day, ready to be cosy and read. Thank you for all your support on the day! The children all had a wonderful time, sharing their books, and engaging in fun activities. (Photos are on School Dojo) Finally, we saw the week out with a wonderful visit from Isaiah's mum and baby Cassius. The children were able to ask lots of questions about how to look after a baby, how a baby develops and compare what Cassius can do to themselves. Have a great weekend everyone!

Class 2

This week has been full of excitement in Class 2! We have started our new Geography topic, 'What is it like to live on the Coast?', our D.T. topic, 'Constructing a Castle' and our Science topic, 'Light and Shadows'. The real highlight though was World Book Day yesterday. We spent the whole morning sharing, reading, listening and responding to books of a range of styles and authors. The children loved being in their pyjamas and were very enthusiastic about their reading too. A surprise came in the form of a gift-wrapped poetry book which has a different poem for every day of the year, so we have been reading those and will continue to make that a feature of every day. We have got our sessions of Forest School to look forward to next week as they begin on Wednesday. Have a great weekend!

Class 3

Another busy week has whizzed by! The children in class really enjoyed World Book Day and all looked great in all their pyjamas! We enjoyed talking about and sharing our favourite stories and carried out a number of book related activities which were fun! In maths this week we have been revising strategies for dividing and multiplying. The children were able to carry out and solve a number of problems and use their knowledge of their multiplication and division facts to help. The children have enjoyed finding out the meaning behind 'Good Friday' and have carried out some interesting research on this and have presented this in different ways. We took part in our final outdoor learning session on Wednesday focusing on art in the outdoors, it was great fun! Next week we are looking forward to our Science Workshop! Have a lovely weekend everybody!

Class 4

Another busy week in Class 4. We have been looking more at fractions and decimals in our maths lessons this week. We have also been looking more at our English text for the half term, 'Wonder'. Thank you to all those who supported with homework last week - I wanted to include some tricky questions to see how the children would get on and they did really well. Also, a big thank you for your support with World Book Day. It was a fantastic day, and the class had a great time. We have also looked more at financial wellbeing in PSHE, considering the role of money in our society. We have another busy week next week, so I hope you all have a restful weekend.
