This terms Collective Worship theme is: **SERVICE**

**Small School, Big Heart**

## Year 5 pupils – STEAM Workshop at Marches School

Year 5 pupils enjoyed a morning at The Marches School taking part in various STEAM activities, including, Food Tech, visit to their planetarium and Art Workshop

## Bug Club Reminder

Over half term, please remember there are lots of additional books for pupils to read by accessing Bug Club online. There are additional books to read within their book band and also in the reading corner.

### Stars of the Week

Class 1 – **Constance**

Class 2 – **Max**

Class 3 – **Ben**

Class 4 – **Teddy**

## Tempest Group Photos – Monday 3<sup>rd</sup> June

Tempest photography will be in school on the Monday we return after half term. They will be taking group photographs of all classes which will be available to purchase.

## D-Day Celebrations

All Parents are welcome to join children on the school Yard at 9am on Thursday 6<sup>th</sup> June for the official proclamation of the anniversary of the D-Day landings. We will be joined by Oswestry Town Crier to open up the celebrations in Selattyn. Children will be visited by community members who were alive at the time of the D-Day landings. Please see leaflet at the end of the newsletter with how you can book tickets to attend the Fish & Chip supper in The Docks and later for the lighting of the beacon in the village.

## Packed Lunches

We have noticed an increase in unhealthy items in children's lunch boxes. Children should not have fizzy drinks of any kind. A small fruit juice or squash is acceptable in their lunch bags. Please also consider reducing sugary items such as chocolate. Please see guidance from the NHS:

<https://www.nhs.uk/healthier-families/recipes/healthier-lunchboxes/>

## Second Hand Uniform

Please remember we have various items of pre-loved uniform available in the reception foyer. Parents are welcome to take any items they need. Items are freely available. If you would like to leave a small donation in reception, this will go towards Eco-council activities.

## Swimming sessions

Swimming sessions will take place for pupils in Class 3 and 4 starting on Wednesday 5<sup>th</sup> June. [Please see letter text to parents for more information.](#)

## Queensway Athletics – 7<sup>th</sup> June

Pupils will be taking part in the annual inter-school athletics competition at Queensway on Friday 7<sup>th</sup> June. Parents of those taking part have been text further details and requested to complete consent through ParentPay. Please can you check you have completed this.

## PTA Meeting

Date for the next PTA meeting is Wednesday 19<sup>th</sup> June at 7:30 at The Docks, helpers always needed. Please come along to see how you can help raise valuable funds for the school. All welcome.

## Marches Consultation

Thank you to those who gave feedback on our consultation to join The Marches Academy Trust. Governors will consider the responses and will feedback after half term.

# CLASS NEWS

## Class 1

Well, we made it! The children have been absolutely fabulous this week, working very hard, co-operating with each other and having lots of fun! We have been creating our own stories, based on 'Where The Wild Things Are', and composing and performing our own pieces to accompany them. We have also completed our half-termly reading assessments this week too. In Numeracy, we have been investigating addition and subtraction, and solving problems involving part/part/part equals whole. This week saw the final Dance session in P.E, so the children should have all brought their P.E kits home this afternoon. Finally, we have been looking at 'Democratic Decisions' this week in P.S.H.E, and how they occur both in school and society as a whole.....very apt after the news this week! Have a wonderful half-term break everyone!

## Class 2

This week Class 2 have been finishing off their work on fractions, looking at equivalent fractions, and solving problems with partners. We have really enjoyed studying the book, 'The Velveteen Rabbit' in our English lessons. It is a lovely story with a wonderful ending. After the holiday we will start work on a new book. We have completed our History work on comparing the Stone Age, Bronze Age and Iron Age. It has been a really interesting topic. Our next one will be a Geography topic. Our R.E. work on Islam is now complete, and we have enjoyed using Chrome Music Lab in our Computing topic this half term. I hope that everyone has a really enjoyable break, and we all see some sunshine!

## Class 3

We have had a fantastic half term with lots carried out and plenty achieved. The children have been working hard on many different activities from creative writing to developing their I.T. skills this week. Have a great week everybody! We have had a very exciting half term in Science, we have looked at the heart and circulatory system. We have shown a working model of the heart using ourselves as the blood. We have looked at all the components in blood and finally looked at how exercise increases our heart rates. We hope you all have a great break and are ready to come back to school on Monday 3rd June. We have lots to look forward to for the remainder of the term including, Sports Day, Queensway Athletics Festival, swimming, chess tournament, Crucial Crew, archery day, magician show amongst other things.

## Class 4

Another very busy week in Class 4. Year 5's had a great time on Wednesday at their STEAM workshop taking part in various activities. We have also been busy looking at decimal numbers in maths and creating travel leaflets promoting Narnia as a tourist destination. They were really interesting and I was really impressed with the final products. Well done to all! We have also looked at different festivals in RE this week, looking at different festivals celebrated in the Islam religion. We hope you all have a lovely half term. There is no homework for the week. I can't wait to hear about all the fantastic things you get up too but hope everybody gets a well deserved break too! Take care!
