Tuesday 5<sup>th</sup> September 2023

Dear Parents / Carers,

We hope you have all had a lovely summer with your family and friends and are looking forward to our new school year. Welcome to all our new parents and pupils, we are sure you'll soon settle in to our Selattyn Family.

We have been busy updating our curriculum and resources over the summer which will further enhance the learning experiences for all children ensuring we are continually developing and moving forward. We have invested heavily in IT equipment and subject related resources which will compliment learning both in and out of the classroom. Children will now have easy access to iPads and laptops to assist them with their learning as and when needed. The link between home and school learning will be strengthened with our new reading scheme and the use of interactive learning platforms.

Our new dedicated library has been completed and will be used to carry out intervention sessions, small group work and independent learning and research and will provide an extra space for other activities in the school.

We are pleased to welcome our new sports coach to school who will be delivering the majority of the children's gym, dance and games during P.E. lessons, focusing on providing a variety of high-quality sporting activities, ensuring skills and progression are always at the forefront. They will also be providing lunchtime activity sessions and our after school clubs which will be free from charge. More information on these will be provided shortly.

Each year group will now receive a series of forest school sessions throughout the year on a Wednesday afternoon, something the children are very excited about. All children from year 2 to year 6 will also take part in weekly group instrumental music lessons provided by Shropshire Music Service.

Important dates of key events will be sent out in due course. Along with further information on afterschool clubs and forest school.

As usual if you have any questions, please don't hesitate to contact the school office or your child's teacher directly.

We all look forward to another successful year here at Selattyn.

Yours sincerely

Mr R.E. Shepherd
