**Small School, Big Heart**

As we come to the end of our Summer Term, the whole staff would like to wish you and your family a lovely summer holiday. Thank you all for your continued support throughout the year while we've been working hard on providing as many opportunities for all the children under our care as possible. We have been extremely proud of all the pupils progress this year as they continue to learn with pride and dedication. This year as a school we have worked hard on:

- Improving parental communications by introducing Class Dojo, providing regular parents evenings and always having an open door policy.
- Reviewing and implementing a new curriculum ready for the new academic year which will provide many new and exciting learning opportunities for all learners.
- Investing in the curriculum by purchasing new I.T. resources to ensure all children have access to technology to help them with their learning across the curriculum.
- Providing further after school clubs on more nights a week.
- Ensuring children are given opportunities to access a range of trips and outdoor learning activities.
- Taking part in consortium curriculum and sporting events on a more regular basis.
- Strengthening links with other local schools and the surrounding community.

We would like to wish all the year six pupils the best of luck as they move on to their next stage in their learning. We know they will continue to succeed and be the best they can. We return to school on Tuesday 5<sup>th</sup> September. Class One and Two Pupils will be able to access the early drop off facility in the hall from 8-30 until 8-50. Class Three pupils (Year Six) can go straight to class during this time as will Class Four pupils (Year Four and Five) who can access the classroom through the conservatory entrance.

New reception pupils should wait by Class 1 ready to enter at 9:15.

We look forward to seeing everyone back safely in September.
