## Year 6 Sponsored Walk

This year's Year 6 sponsored walk will take place on Wednesday 17<sup>th</sup> July. [Please see this letter for full details.](#) For all parents of year 6 pupils – please remember to complete the consent to take part on ParentPay.

## HAF Holiday Club

For those who have pupils attending the holiday club. It will be run by a group of Sports Coaches led by Jordan Graham our P.E. Coach who is a familiar face to pupils. Along with a small team of other sports coaches. The activities will be sports based and will aim to take advantage of outdoor space at school and will be outdoors as long as the weather allows! As part of the club all children will also receive lunch.

## Piano Lessons

Pupils taking part in Piano lessons gave a performance during assembly to all other pupils. Congratulations to them on their performances.

From September, there will be piano lesson slots available at Selattyn. Tuition is provided by Patrick Gough of Berwyn School of Music, a well established and popular local music school. Lessons are held weekly and are £17.50 for 30 minutes, billed in half termly blocks. If you are interested in lessons for your child then please inform Mrs. Samson in the office, or contact Patrick directly, please specify that your child is at Selattyn School email: info@berwyn.io phone: 07968299091.

# CLASS NEWS

## Class 1

Nearly there! We have been very busy this week with lots to do. Year 1 have assembled and completed their moving books, all ready to read to the Reception children on Monday. We have also completed our Year 1 NFER Maths tests, with very pleasing results. The children have also been working hard on a surprise for Year 6 in next week's leavers assembly, so the children are very excited about that. Finally, I have been so, so proud of all the children this week, as always, for their warmth, kindness, consideration, and on occasions, courage. We welcomed three new members to our class, along with the new Reception class on Thursday. Year 1 's moved up to their new class too, and I was extremely proud of the sensible manner in which they approached the morning. They are all my well-deserved 'Stars of the Week'!

## Class 2

This week Class 2 have been writing an ending to the story of The Selfish Giant, based on our thoughts on the story so far. It has been a lovely story to study and we have really enjoyed it. We have been working on creating right angles, making right angle measurers which we can use to check angles. We enjoyed our moving up morning on Thursday. It was lovely to spend time in our new classes and we are all looking forward to working in them in September, after our well-deserved Summer break!

## Class 3

As we head towards the end of term we have been continuing to work on our Shakespeare topic of Macbeth. The children have been creating booklets about Act One and carrying out research using the text. Some imaginative work has been produced and shared with others. We have been talking about our sponsored walk and looking at maps to plot our route, let's hope the weather is kind to us next week! Well done to all the children with their SAT's results, everyone did their best and should be proud of their efforts. Have a great weekend everybody.

## Class 4

The last full week of the school year! Well done everybody for your effort this week. We have looked at fractions this week in maths, thinking about the numerator and the denominator and arranging fractions in numerical order. We have also looked more at 'tanka' poems in English this week. In science, we have looked at the results from our experiment regarding the viscosity of liquids and have used the class average to plot a bar chart. I hope you all have a lovely weekend, and everyone is looking forward to the final 4 days of the school year.
