15th January 2024

Dear Parent/Guardian,

Please see the following information regarding icy & slippery weather conditions:

Icy/slippery weather conditions

Every attempt is made to safeguard all parties visiting school, by clearing/treating priority pathways into school. Access to the rear of the school, via Racecourse Road, is not a priority area and no one should access school via the rear gate without prior contact with school.

Pavements to the front elevation of school are not treated and, we would urge all parties to be cautious when using them. Whilst on-site all parties are encouraged to wear sturdy footwear and not to venture onto un-cleared or un-treated areas on our premises, for their own safety.

School Emergency Closure – Winter Weather

In the event of closure, notification will be posted as early as possible on our school website, Class Dojo and messages sent via text to all main family contacts on our database. Parents may also check for closures at Shropshire.gov.uk/school-closures or listen for information on any local radio station.

Snowfall during the day with school open

If you feel that during the day the snow is falling heavily then please make up your own mind and pick up your child early if you would prefer. You do not need to wait for school to send a message out. If collecting your child early, please call school to let them know you are coming.

Yours sincerely

A handwritten signature in black ink that reads 'R. E. Shepherd'.

Mr R.E. Shepherd
