

## 'Letters and Sounds'

Dear parent(s)

Here are the next set of sounds in 'Phase 3' and a timetable to do them. This is just a guide, however, as you may feel your child needs to go at a slower/ faster pace. Each sound has a link to a video which uses the 'Jolly Phonics' system. After watching the video(s), please could your child complete the handwriting on the corresponding worksheet found in this pack and colour the picture if they wish.

Order in which the sounds will be covered;
