

A big hello to all the lovely children in Class 1...oh how I miss you all!!!

I hope that you are all doing well and getting out in the sunshine. I've been doing some jobs in the garden; weeding, planting, watering and keeping my eye out for minibeasts, just like you!

I've seen beautiful blue butterflies and busy bees. I've spotted some ladybirds on my climbing roses, and some woodlice under my plant pots. I wonder if you have been on your minibeast hunt yet? If so, have you managed to get a closer look at them, even hold some in your hand if you are brave enough. My Noah wasn't too keen on this bit, I'm afraid, when we did our one!

I can't wait to hear what you have all been up to whilst at home. If you like, and your mums and dads think it's ok, you can always write to me here at school, I would love to hear from you. I received a lovely letter last week from someone in class, telling me what she had been doing for our minibeast topic. She had made a huge caterpillar out of papier mache..... I was very impressed!

Anyway, I must get back to tidying the classroom for your return. Although I love being in school, it's certainly not the same without your smiling faces in it! Hopefully, we will all be back together soon.

Until then, stay safe, keep smiling and do what you can..... and remember keep your eyes out for those minibeasts.

Sending you another huge Selattyn hug to keep you all safe.

Love and Best Wishes

Miss ward x
