Re: National Dental Survey for 5 year olds

Dear Families,

Our school has been selected to take part in a National Dental Survey for 5 year olds.

This will take place on Tuesday 24th February. Your child has been chosen to take part as they will be 5 on the day they are visiting the school.

Full details of the dental check can be found on this link, or on the paper forms sent home in book bags.

We require your consent for your child to take part. This can be completed electronically by using the form linked above, or by completing the paper form sent home in book bags.

It is not a full check, the team will have a quick look at your child's teeth and it only takes a few minutes. You can come along for the check if you wish. Your child will not be forced to have a check if they do not want to. If you would like to attend, please let the school office know.

If you have any questions, please ask at the office.

Yours sincerely

R. E. Shepherd
