Selattyn C. E. Primary School

26th May 2023

This terms assembly theme is: **FRIENDSHIP**

Small School, Big Heart

Parking

There are an increasing number of parents stopping their cars on the zig zag lines outside school. This reduces visibility and creates a safety risk for your children. **For everyone's safety, please do not park on the Zig Zag Lines.**

Sports Day

Thank you to all who joined us for Sports Day on Thursday. It was a wonderful whole school event with everyone being involved and thoroughly enjoying all the races. Congratulations to all who took part and a special well done to Oswald house who were this year's sports champions.

Enhanced P.E. Provision

We are excited to announce that from September 2023 our P.E. will be provided by the Marches Academy Trust. This will provide an enhanced P.E. curriculum and greater opportunities for physical activity for all pupils during lessons and extra-curricular activities; including organised playground games at lunch time, and free from charge after school clubs enabling all children to have the opportunity to participate. The new provision will also allow us to take part in a greater range of sporting competitions / tournaments held locally. We thank Mr Steve Jones from Pro Skills Soccer for providing PE for us over the last 10 years. He will be leaving at the end of the summer term and we wish him all the best for the future.

Queensway Athletics – Friday 9th June

Those children who have brought in replies for Queensway have been allocated a place. They will need a packed lunch, water bottle, sun hat & sun cream & a waterproof. Parents of children taking part are welcome to spectate if they wish, but will need to use their own transport, children will travel by coach. The event starts at 10am at Queensway Stadium, Wrexham.

Year 6 Leavers Celebrations

Year 6 Sponsored Walk

We are planning a sponsored walk for our year 6 children. The aim is to raise money for books for our new library area in school. The walk will be taking place on Friday 14th July.

Year 6 Leavers Assembly

We will be holding a special Leavers assembly in the afternoon of Friday 21st July. Parents of year 6 pupils are invited to join us for this celebration. More details on both the assembly and sponsored walk to follow after half term.

Science Challenge Day at Moreton Hall

Year 5 pupils will be attending the Science Challenge day on 13th June. Please can all year 5 parents complete this form: <https://forms.office.com/e/e3Cp433auL>

School Lunches

We are working with Atalian / Woodside school to see how we can improve our school lunches and would like to hear from parents. Can all parents please complete this form: <https://forms.office.com/e/vUfUYeNB6K>

Wednesday 7th June – Pupils will be having Apple Crumble & Custard instead of Ice cream.

Thursday 8th June - Special Mexican theme Menu (Chilli with Nachos & Rice). Please see poster below for details.

Whole School Weekly Attendance: 97.25%

Class 1 97.14%

Class 2 98.85%

Class 3 92.00 %

Class 4 99.03%

CLASS NEWS

Class 1

Well, we made it! This half-term has been a busy one and the children have all worked very hard. The weather this week has been kind to us, and we have been doing lots of outdoor learning. Earlier in the week, we read a class information book about shadows. We then made use of the beautiful sunshine, by drawing round our shadows, with the help of a partner, and around the shadow of our favourite toy animal. The children have also come home today with their own model animal creations, of which they are very proud.

Yesterday, the children took part in their first school Sports Day. Miss Morris and I could not be prouder of the way the children behaved, supported each other and competed on the day. They were all fantastic! Thank you to Mr. Patch, Class 4 and everyone who contributed, for making it such a wonderful day.

Have a fabulous half-term everyone!

Class 2

We have had a very busy week in class 2. Well done to all children for doing fantastically yesterday at Sports Day! We are very proud of your attitude and behaviour.

We have been busy looking at plants in science and we have enjoyed tending to our gardening space in school. We have also been writing prayers to Jesus and managed to solve the mystery of "Who stole the sports day trophy" in our maths lessons.

Have a lovely half term everybody.

Class 3

Class 3 have had an enjoyable week this week. We have been very sporty, practicing our cricket skills in our P.E. lesson and practicing for Sports Day. We really enjoyed taking part in Sports Day in the sunshine on Thursday afternoon, in our House groups. We have been working on Carroll diagrams and Venn diagrams in our Maths lessons. In English we have been using conjunctions in our own sentences and answering comprehension questions about the Olympic Games.

Class 4

What a fantastic week we have had leading up to half term cumulating with Sports Day! All the children ran well and showed great sportsmanship throughout the afternoon. It was a lovely atmosphere with everybody supporting one another and helping out with the equipment. Well done to everyone! In class we have been continuing with our work with explanation texts and have used our skills developed to create our own text based on a chosen topic. The children were very imaginative in their approach to this task and some great work was produced before being peer assessed. In maths we have been focusing on averages and have carried out a number of investigations linked to this. Have a lovely half term break and we will see you back in school on Monday 5th June.

Mexican Theme Day

08/06/23

Menu

Beef chilli con carnie

Vegetable chilli

Served with

Nachos & Rice

Dessert

Mini Doughnuts
