

Hello Class 3,

Happy New Year to you all!

We really hope that you all had a lovely Christmas. It may have been a little different to normal, but we enjoyed spending time relaxing and thinking about the strange and very interesting year that we have all had. Times like these make us really value each other and we are grateful for all of the good things that we have. We are missing all members of our school who are at home at the moment and we look forward to the time when we can be together again. In the meantime, we must follow the guidelines that we have been given and keep ourselves and others safe.

We are sure that you are all keeping yourselves busy with activities at home and being helpful to mums, dads and carers. Try to read to a grown-up every day and practice your writing whenever you can. Keep working on those times tables and maybe do a project on something you find really interesting.

We are posting work on the school website for you to do every weekday. We will try to include as many subjects as we can, but these may change a little week by week. The lessons are on the Oak National Academy website which we have already used in the classroom. The lessons are easy to follow, although some of the work is quite tricky! You will need to listen carefully and concentrate hard.

We hope that you can share your work with us really soon. Look after yourselves and have fun!

With our very best wishes,  
Mrs. Hardaker & Mr. Patch
