Welcome to the online book fair for Selattyn School! I'm Louise, the local independent partner, you'll see me with my books at school on Thursday 5th March where you can buy books from my stock. If you haven't time to visit on the day I am running this online event for the whole week so you can shop online and the money still goes towards the total for school! When you buy books, school has a chance of getting some lovely new free ones for your children to enjoy.

You can choose home delivery, charges apply, or deliver to local independent partner. If you choose this option delivery is free and once I receive all the orders I will deliver them to school for distribution. Please make sure you include your child's name as a reference on the checkout notes so we can match up the orders later! Delivery can take up to 5 working days so orders should arrive by the following week.

Lastly thank you very much for supporting Selattyn school!
