

Happy New Year to you all!

I hope you all had a wonderful Christmas break and had a chance to get a good rest. Miss Morris and I are missing you all very much and can't wait for us all to be back together again.

Until then, I would love for you to keep practising your 'letters and sounds', by reading and writing a little bit every day, so that even though you are at home, hopefully it will feel a bit more like a school day!

There are also some lessons online for you to do. You have seen one or two of these before, so hopefully you will remember them. You don't need anything special, just paper and pencil for most of the activities and they only last about 20 minutes.

I have also put some ideas for some winter activities on this page too, in case you would like to do some. The children in school will be doing the same ones.

In Reception, we know that play is very, very important to our development, so I would love for you to spend some time building with Lego, rolling play-dough, cutting out, solving jigsaws, painting, baking, playing shop, having a disco, or even building a snowman!

The list is endless..... just have fun!!!!

Perhaps you might like to take a photograph of your creations, and your mum or dad could send it to me, I would love to see them.

Hopefully, I will be ringing your mums and dads on Wednesday afternoon, to see how you all are and how you're getting on, so maybe we could have a little chat then and you can tell me your news.

Until then, keep smiling, do what you can and take care.

Sending you a big Selattyn hug to keep you safe!

Lots of love Miss Ward X
