

Week beginning 11th January 2021

Dear Pupils of Class 4M,

I am missing you all and hoping you are all staying well and out of mischief! The classroom is very, very quiet without you and although the children who are in school are trying to make up for the lack of noise....it's not quite the same!

I hope you all had a great Christmas and didn't eat too much chocolate or stay up too late? I must say a very big thank you to all of you who kindly gave me a gift it was a lovely treat and I loved them all. (Chocolates have been eaten, wine drunk, candle lit, bath bubbles used, biscuits munched, ceramic fish displayed, everything enjoyedmany, many thanks.) Once again, we are in peculiar times and I realise how hard it must be for you all trying to do your learning at home. I hope the units are ok for you and you can manage to get them up and running. I like the music units best! We are doing the same content for all subjects as you, here in school, and I have promised the pupils in class that we will do exactly the same music units.

Mrs Haralambous says 'hello' to you all and is missing you all too. She is going to do some French activity sheets for you soon, tres bien!

Please let me know how you are getting on – write me a letter or make me a poster!

Hopefully it will not seem too long before the days are getting longer, the weather a little kinder and we can all learn together again.

Until then I will write to you every so often and try to keep myself busy so I don't miss you all too much!

Take good care of yourselves and look after those at home.

Happy learning,

Love Ms Morgan (Your Class Teacher!)
