Dear Parents

I am delighted to be able to write my first letter as the new Headmaster of Selattyn C of E Primary School. I feel extremely privileged and honoured to have been appointed to continue and build upon the success of the school under the leadership of Ms Morgan. I whole heartedly support the schools vision by providing an inclusive Christian learning environment where every child feels happy, secure, valued and suitably challenged in order to succeed.

I have extensive experience of working in the education sector which has included roles of Deputy Head and an Acting Head of a Church in Wales Primary School. I have also worked with Flintshire County Council on numerous occasions providing training and support for schools on how to improve standards across the curriculum.

I am a committed Anglican and worship regularly at my local parish church. I recognise the importance of how Christian values help shape the ethos of care and respect, this being central to working and learning together to guide and challenge each other.

I believe in providing all children with exciting and meaningful learning experiences which will help them continue to develop their knowledge, skills and understanding enabling them all to become lifelong learners.

I work closely with all members of the school and the wider community to help give all pupils creative and varied learning experiences both in and out of the classroom including providing a rich variety of sporting activities and local curriculum days.

I value the views and opinions of all parents and the contributions you make to school life. I pride myself on being extremely approachable and visual. I am extremely proud to have joined the school and look forward to working with you all in helping the school to continue to move forward.

Yours Sincerely

Mr Ross Shepherd
