One Voice

On Thursday our school ONEVoice team delivered a fantastic dragon's den style pitch to a panel of judges at The Grange School in Shrewsbury. Our Year 5 and 6 children did incredibly well and really impressed the panel with their presenting skills! Please see below the fantastic feedback the children received from one of the judges on the panel.

I can't express strongly enough how professional and inspirational your pupils were today. They delivered their presentation with such confidence, passion, and a genuine desire to create a space that brings happiness to everyone at Selattyn. It was truly moving. They had thought of every detail - even down to their smart presentation, badges, and cards. The way they worked together and showed such respect for one another was exemplary; it's the kind of teamwork we wish we saw more often in adults. It was an absolute delight to welcome them to Trust Central. They are a credit to their peers, to you, and to the whole school community.

We can now share the news that the team were able to claim the £100 prize following their exceptional pitch. What a fantastic achievement!
